## Working with our pupils, the school will:

- Help you enjoy your school life
- Make learning interesting and challenging to ensure you make progress
- Respect you
- Value your individuality
- Help you become more independent
- Support you to make choices
- Involve you in decisions that affect you
- Help you to achieve your best
- Ask you to observe the school/class rules

## Working with our parents/carers, the school will:

Fully acknowledge you in planning for your child's needs, and acknowledge you as the most responsible person for your child

Ask that you take an interest in, and actively support, your child's education

Ask you ensure your child's regular and punctual attendance

Ask you to attend meetings that involve your child (Parents' Evenings, Annual EHCP meetings and those called regarding your child's progress in learning, health, attendance or welfare)

Ask you to communicate regularly through the Home-School Daily Diaries

## Together, we will:

- Be polite, well mannered and respect each other
- Work with a positive attitude to promote lifelong learning for all
- Think about the safety of ourselves and others
- Behave in an open and honest manner towards each other
- Celebrate achievement, attainment and effort to enable your child to 'shine'
- Have regular dialogue in which we inform each other of your child's learning and progress towards achieving challenging targets
