DfE Guidance for Parents:

1. Overview

You must make sure your child gets a full-time education that meets their needs (for example if they have special educational needs). You can send your child to school or [educate them yourself](#).

Children must get an education between the school term after their 5th birthday and the last Friday in June in the school year they turn 16.

You'll be contacted by either:

- the school - if your child is enrolled in school and doesn't turn up (even if they're only absent for a day);
- the council's education welfare officer - if they think your child isn't getting a suitable education at home.

You can be prosecuted if you don't give your child an education. You'll normally get warnings and offers of help from the local council first.

You can [get education and attendance information from your council](#).

1.1 When your child can miss school

You can only allow your child to miss school if either:

- they're too ill to go in;
- you've got advance permission from the school.

There's [extra support available](#) if your child can't go to school for long periods because of a health problem.

1.2 Holidays in term time

You have to get permission from the head teacher if you want to take your child out of school during term time.

You can only do this if:

- you make an application to the head teacher in advance (as a parent the child normally lives with);
- there are exceptional circumstances.

It's up to the Head of School how many days your child can be away from school if leave is granted. You can be [fined](#) for taking your child on holiday during term time without the school's permission.

1.3 School trips

Your child's school can ask you for a voluntary contribution to the cost of activities like school trips. They can't stop your child from attending if you don't pay, but they should cancel the activity if there isn't enough money to cover the cost of it.

2. The School Policy:

2.1 Introduction

Hertfordshire County Council is committed to achieving excellent levels of attendance for individual children, individual schools and for Hertfordshire as a whole. Underpinning this commitment is the belief that if children attend school regularly and punctually they will be best able to take full advantage of the educational opportunities available to them.

Hertfordshire County Council is committed to openness and equality of opportunity in every activity, from the way we employ staff to the way we deliver services. It is a central responsibility of members, managers and employees of the County Council to ensure that every individual that we come into contact with is treated with dignity and respect.

2.2 Statement of Intent

We work closely together in partnership with parents and carers in order to achieve excellent levels of school attendance and punctuality for all pupils.

2.3 Responsibilities – Parents and Carers

Parents are responsible in law for ensuring that their children of compulsory school age receive an efficient education suitable to their age, ability, aptitude and any special educational needs that they may have. Most parents fulfil this responsibility by registering their children at a school. Parents whose children are registered at a school are responsible for ensuring that their children attend and stay at school.

Parents/carers should: -

- Ensure that their children arrive at school on time, appropriately dressed and ready to learn Instil in their children an appreciation of the importance of attending school regularly
- Ensure that they are aware of the attendance policy of their children's school
- Impress upon their children the need to observe the school's Code of Conduct
- Take an active interest in their children's school career, praising and encouraging good work and behaviour and attending parents' evenings and other relevant meetings
- Work in partnership with their children's school to resolve issues which may lead to non-attendance
- Notify their children's school if they are absent. This should be done on the first day of absence. They should also provide an explanation for the absence. **This explanation should be confirmed - preferably in writing - when the children return to school.**
- Avoid arranging medical/dental appointments during school hours Should not book holidays during term time

2.4 Responsibilities - Schools

- Schools are responsible for supporting the attendance of their pupils and for dealing with problems that may lead to non-attendance.
- Schools are required to call attendance registers at the start of the morning session and once during the afternoon session and to record whether pupils are present, absent or on an approved educational activity.

- For pupils of compulsory school age, schools are required to differentiate in the registers between absence that is authorised and absence that is unauthorised.

3. School Absence Procedure:

If your child is absent **Parents/Carers must:**

- Contact the school as soon as possible or before 9:30am on each day of absence
By telephone – **01582 626727 (St Luke's), 01442 398988 (The Collett)**
By email – absence@stlukes.herts.sch.uk admin@collett.herts.sch.uk
- Send a note via the Home/School Diary/Dojo

If your child is unexpectedly absent, school Reception or another member of staff will:

- Telephone the primary contact number on the first day of absence if we have not heard from you by 9:30am, to ascertain the reason for absence. (It is therefore important that telephone numbers are constantly updated with the school as soon as there is a change of number and that more than one is provided).
- Telephone the primary contact number again on the morning of the second continuous day of absence if we have not heard from you by 9:30am, to ascertain the reason for absence.
- **The Safeguarding Lead and Heads of School will be notified.**
- Telephone all contact numbers provided on the afternoon of the second continuous day of absence to ascertain the reason for absence.
- **If we have not heard from you or been able to get in touch on the third continuous day of absence a member of staff will make a home visit to ensure the wellbeing of the child and parents/carers.**
- If we are still not able to verify the welfare of the child or parent/carer the school will immediately notify **CHILDREN'S SERVICES and/ or Community Police links**

The school may also:

- Authorise the absence; authorisation of the absence is at the discretion of the Executive Head or Head of School.
- Invite you in to discuss the situation with the Pastoral Coordinator/Head of School if absences persist.
- Inform you by letter if persistent absenteeism is a concern; all below 85% attendance will receive a letter each half-term; attendance figures to accompany reports.
- Refer the matter to the Attendance Improvement Officer if attendance moves below 85%.
- Support a long term absentee with gradual integration and support from the Pastoral Coordinator/Department Teacher Lead.

Our school will;

- Work actively to maximise attendance rates - both in relation to individual pupils and for the pupil body as a whole - as one of our key tasks
- Address persistent absence
- Support parents in ensuring the regular and punctual attendance of pupils and promptly respond to any issue which may lead to non-attendance
- Be sensitive to the needs of individual parents and this should be reflected in the way in which attendance issues are addressed. Schools should recognise that some parents have difficulty understanding written communications.
- We also recognise the reluctance and/or challenges for some parents to come into school.

3.1 Punctuality

- Our School takes steps to actively encourage excellent levels of punctuality.
- Lateness is monitored and followed up.

Our school sessions begin and finish at the following times:

St Luke's School

8.45am until 1.00pm

9.00 am– 9.30am: Late

9.30am – 1.00pm: Absent

1.00pm until 3.10pm

The Collett School

8.30am until 1 pm

9.00am – 9.30 am: late

9.30am – 1.00pm: absent

1.00pm – 2.30pm

- When a pupil arrives late and the register is still open he/she should be marked as 'late' but counted as present for that session.
- When a pupil arrives after the register has closed and parent provides a satisfactory explanation, he/she should be marked as 'authorised absent' for that session using the correct code.
- When a pupil arrives after the register has closed and parent fails to provide a satisfactory explanation, he/she should be marked as 'unauthorised absent' for that session. (Code U)
- When a pupil arrives late having missed registration, his/her presence on site is noted for evacuation procedures should these be needed.

4. School Attendance Policy

We seek to:

- Ensure that legal requirements are met;
- Give a high priority to attendance and punctuality;
- Name the SLT member with overall responsibility for attendance – **Stephen Hault-Allen (Executive Headteacher), Jamie Caple (Head of St Luke's School), Pam Stocks (Head of The Collett School);**

- Identify clear channels of communication with parents;
- Identify what is considered as authorised/ unauthorised absence;
- Make provision for first-day of absence contact;
- Contain clear procedures to identify and follow up all ab. Prioritise the importance of early intervention;
- Identify a range of strategies to encourage whole school attendance;
- Promote the setting of targets for individual pupils, form groups etc. Establish systems for rewarding good/improved attendance;
- Be sensitive to individual pupils' needs;
- Be alert to critical times (e.g. secondary transfer);
- Establish procedures for re-integrating long-term absentees;
- Establish clear lines of communication with outside agencies;
- Ensure that all staff adopt a consistent approach in dealing with absence and lateness;
- Provide for effective primary-secondary liaison;
- Inform and involve governors;
- Ensure that good practice is identified and disseminated;
- Explain how attendance information will be shared with parents (newsletters, website etc);
- Be reviewed at regular intervals;
- Make clear to parents that it is the school - not the parent - which authorises an absence;
- Make clear to parents what is, and is not, acceptable as reasons for absence; state how lateness, both before and after closure of registers, is recorded;
- Make clear that leave is granted only in exceptional circumstances;
- Address attendance from a whole school perspective;
- Actively promote the link between attendance and achievement;
- Encourage all staff - including ancillary and administrative staff - to see attendance as part of their responsibility;
- Actively address all issues - such as bullying – which may lead to non-attendance;
- Explain that the Local Authority will be notified of any pupil of compulsory school age who fails to attend school regularly.

5. Responsibilities – ISL Attendance Team

- The ISL Attendance Team fulfils the statutory duty of the County Council in enforcing regular school attendance. In doing so it enables schools and parents to meet their respective responsibilities.
- The schools have a named Attendance Improvement Officer (AIO) who will work in close partnership with the school.
- In working closely with schools the Attendance Improvement Officer will offer the following services:

5.1 Consultation Visits – Maintained Schools

Consultation visits by the AIO will be allocated according to need. Need will be identified using the school's annual DfE Absence data for the autumn/spring term from the previous academic year, drawn from the school's census return. Additional visits will be allocated to schools that have a higher than average percentage and number of pupils who are identified as being persistently absent (PA). The purpose of the consultation visit will be to identify pupils who are experiencing attendance difficulties.

This may include an examination of attendance registers

- Agree on focused, time-limited action, which needs to be taken by the school and/or the AIO. Before accepting a piece of work the AIO will expect school staff to have first undertaken some preliminary work themselves, e.g. action by the class teacher or year head, contact with parents, etc;
- Feedback and exchange information in relation to work which has been undertaken by the AIO and/or the school Identify areas of concern and of good practice in relation to attendance matters;
- Advise the school on individual and whole school strategies for improving attendance;
- Assist schools in identifying PA pupils and those at risk of becoming PA and ensuring that effective plans of action are in place.

5.2 Casework

AIOs may undertake early intervention work prior to a case being accepted. This may include the following:

- Telephoning or writing to the parents/carers about their child's absences or lateness
- Attending a meeting with parents arranged by the school to emphasise the need for good attendance and the possibility that, if there is no improvement, the AIO will become formally involved.
- Once a case has been accepted, the AIO will undertake direct work with pupils and their parents. This may include:
 - Arranging meetings between the school, parents and pupils
 - Making home visits to assess the situation and determine what action needs to be taken
 - Offering specific support to parents and individual pupils, either at school or elsewhere
 - Facilitating meetings
 - Enabling the pupil and parents to access appropriate support from other services and agencies

Attendance Improvement Officers will usually work with children whose absences have not been authorised. However, AIOs may work with children whose absences have been authorised, such as persistent absentee (PA) pupils (see appendix 1).

5.3 The Use of Legal Action

- If a pupil, who is registered at a school, fails to attend that school regularly without a legitimate reason and attempts by the Attendance Improvement Officer and the school fail to secure that pupil's return to regular attendance, the County Council will take legal action.
- A complaint may be laid against the parents in the Magistrates' Court under Section 444 of the Education Act 1996, or an Education Supervision Order relating to the pupil under Section 36 of the Children Act 1989 will be applied for.
- Any exceptional mitigating circumstances relating to the pupil's absence will be taken into account, when considering legal action. 'Exceptional mitigating circumstances' will be determined by the Central Attendance and Employment Support Team Manager on behalf of the County Lead for Attendance. If 'exceptional mitigating circumstances' are not deemed to exist, then cases which remain open for more than 24 weeks will be referred for legal action. Legal action will, however, be taken earlier when appropriate.
- If, after legal action has been taken, the child still fails to attend school regularly the AIO will keep the case open and will, if appropriate, take further legal action at a subsequent date.

- In cases where parents wilfully withhold a pupil from school, or persistently refuse to co-operate with efforts aimed at affecting a return to satisfactory school attendance, the ISL Attendance Team will begin legal proceedings promptly on the grounds that no other course of action is available.
- The Central Attendance & Employment Support Team Manager on behalf of the County Lead for Attendance will give approval before legal proceedings are commenced.
- The Attendance Team will consider applying for an Education Supervision Order when a parent finds it difficult to exercise an effective influence over a child who has developed a pattern of poor attendance. Education Supervision Orders will not usually be applied for in relation to pupils in Years 10 or 11.

Before an application is made for an Education Supervision Order:

- Other possible means of dealing with the pupil's poor attendance will be explored
- The attitudes of the parent and pupil towards the poor attendance, and their wishes as to how it should be dealt with, will be noted
- The Local Authority will be of the view that the Order will have a significant effect on the pupil's attendance at school

6. Education Related Penalty Notices for Parents of Truants

Subsection (1) of section 23 of the Anti-Social Behaviour Act 2003 added two new sections (444A and 444B) to section 444 of the Education Act 1996. These new sections introduced penalty notices as an alternative to prosecution and enable parents to discharge potential liability for conviction for that offence by paying a penalty.

A penalty notice is a suitable intervention in circumstances of parentally condoned truancy, where the parent is judged capable of securing their child's regular attendance but is not willing to take responsibility for doing so. For example, it could be used where a parent has failed to engage in any supportive measures.

Further information on penalty notices is available at

<http://www.thegrid.org.uk/info/welfare/attendance.shtml> or from the local Attendance Team Manager.

7. School Attendance Orders

If a parent fails to register a child of compulsory school age at a school (and he/she does not intend to educate the child otherwise than at school). The LA will serve a School Attendance Order under Sections 437 - 439 of the Education Act 1996. This requires the parent to register their child at a school named by the Local Authority.

8. Admission & Attendance Registers

8.1 The rules governing the maintenance of registers, including removal from roll, are contained in the Education (Pupil Registration)(England) Regulations 2006 as amended 2010, 2011, 2013 and 2016.

- 8.2 It is important that the school's admission register is accurate and kept up to-date. Schools should regularly encourage parents to inform them of any changes whenever they occur, through existing communication channels such as regular emails and newsletters. This will assist both the school and local authority when making enquiries to locate children missing education.
- 8.3 Where a parent notifies a school that a pupil will live at another address, all schools are required to record in the admission register:
- a) the full name of the parent with whom the pupil will live
 - b) the new address and
 - c) the date from when it is expected the pupil will live at this address.
- 8.4 Where a parent of a pupil notifies the school that the pupil is registered at another school or will be attending a different school in future, schools must record in the admission register:
- a) the name of the new school and the date when the pupil first attended or is due to start attending that school.
- 8.5 All schools are required to notify the local authority **within five days** via school admissions - <http://www.intra.thegrid.org.uk/admissions/seam.shtml> when a pupil's name is added to the admissions register at a non-standard transition point. Schools will need to provide the local authority with all the information held within the admission register about the pupil. This duty does not apply when a pupil's name is entered in the admission register at a standard transition point – at the start of the first year of education normally provided by that school.
- 8.6 Attendance registers are legal documents that may be required as evidence in court cases.
- 8.7 Registers must be taken at the beginning of each morning and once during the afternoon session. If the register is called at the end of the afternoon session schools should ensure that adequate arrangements are in place to ensure that pupils do not leave school between registrations. They should ensure that pupils can be accounted for in an emergency and that a pupil removed from the school at lunchtime will not go unnoticed.
- 8.8 Registers must record whether each pupil is present, attending an approved educational activity, absent or unable to attend due to exceptional circumstances. In the case of a pupil of compulsory school age who is absent the register must also indicate whether the absence has been authorised by the school.
- 8.9 Registers should open and close at regular, set times and this information should be publicised to parents. When calling the register, the appropriate mark and/or symbol should be placed against each pupil's name - gaps should not be left so that entries can be made later. In marking registers, schools should use the national set of symbols as advised by the Department for Education (see Appendix 2).
- 8.10 When the reason for a pupil's absence cannot be established at the beginning of a session, the absence should be recorded as unauthorised and any subsequent correction to the register made as soon as practicable after the reason for the absence has been established.
- 8.11 In order to reduce the possibility of post registration truancy secondary schools are *encouraged* to take class registers in each lesson and/or carry out regular spot checks.

All schools are required to notify the Local Authority of any pupil of compulsory school age who fails to attend school regularly, or who has been absent for a continuous period of more than 10 school days, without a legitimate reason. This duty also extends to academies and independent schools.

For further guidance see - <http://www.thegrid.org.uk/info/traded/sitss/behaviour/attendance/>
<http://www.thegrid.org.uk/info/csf/admissions.shtml>

9. Responsibilities of the AIO – Attendance Registers – Maintained Schools Inspection of registers

Registers should be available for inspection during school hours by an Attendance Improvement Officer when requested.

If the named AIO is concerned that a school's registers have not been kept in accordance with the requirements of the relevant regulations he/she will:

- notify the Headteacher of the concern and suggest that the matter is addressed
if no appropriate action is taken by the school, and the AIO remains concerned, the Attendance Team Manager will address the concern with the Headteacher
- if the matter still remains unresolved, the Attendance Team Manager will write to the Headteacher formally noting the concern. A copy of this letter will be sent to the relevant ISL Area Manager and the County Lead for Attendance

10. Registers - Retention

Registers should be kept in a secure place for a period of not less than 3 years.

When computerised registration systems are used a print-out of the register should be made not less than once a month. A print-out of the register relating to a particular school year should be bound in a single volume and retained for a period of not less than 3 years.

11. Removal from Roll

There are strict grounds as to when schools may remove pupils from their admissions register. These are outlined in **Regulation 8** of the Education (Pupil Registration) Regulations 2006. Regulation 12(6) states that when a school has decided to delete a pupil's name from their admission roll they must notify their Local Authority as soon as the ground for removal is met and no later than the time at which the pupil's name is removed from the register. This responsibility applies to all Maintained Schools, Academies, Free Schools, Studio Schools, University Technical Colleges, Education Support Centres and Independent Schools. Full guidance on Removal from Roll is available at - <http://www.thegrid.org.uk/info/welfare/attendance.shtml>

If the pupil has left the school without explanation and there are concerns about the pupil's welfare please contact the local Attendance Team immediately.

If there are concerns that a pupil may be at risk of Child Sexual Exploitation or radicalisation please contact the local Attendance Team immediately.

If a school is told that a pupil is leaving to attend another school, staff at the school of departure should establish the pupil's new address, the name and address of the new school and the date the pupil will start there. Confirmation should then be sought from the receiving school. When this information has been obtained, the school should complete a Removal from Roll form and return it to the local Attendance Team office. Whenever a pupil leaves a school a Common Transfer File (CTF) must be completed.

If a school is concerned about any aspect of a transfer or if a pupil has "disappeared" the matter should be drawn without delay to the attention of the Local Attendance Team.

Further guidance and a referral form is available at -

<http://www.thegrid.org.uk/info/welfare/attendance.shtml>

12. Authorising Absence

12.1 Only the school can authorise an absence.

12.2 The fact that a parent has provided a note or other explanation (telephone call or personal contact) in relation to a particular absence does not, of itself, oblige the school to accept it, if the school does not accept the explanation offered as a valid reason for absence. If, after further investigation doubt remains about the explanation offered - or when no explanation is forthcoming at all - the absence should be treated as unauthorised and the parent informed.

12.3 We communicate with parents/carers about our policies with regard to the notification and categorisation of absence. Some parents, such as those whose first language is not English or who do not read or write may experience difficulty in providing notes. In such cases schools should seek to make alternative arrangements.

12.4 We keep all absence notes for at least a term and when a pupil's absence is a cause for concern to retain the notes until there is no longer a concern.

12.5 Absence is authorised if:

- The pupil is absent with leave (defined as 'leave granted by any person authorised to do so by the governing body or proprietor of the school').
- The pupil is ill or prevented from attending by any unavoidable cause.
- The absence occurs on a day exclusively set aside for religious observance by the religious body to which the pupil's parent belongs.
- The school at which the child is a registered pupil is not within walking distance of the child's home and no suitable arrangements have been made by the LA for any of the following: the child's transport to and from school boarding accommodation for the child at or near the school enabling the child to become a registered pupil at a school nearer to his/her home.

- The pupil is the child of Traveller parents who are known to be travelling for occupational purposes and have agreed this with the school but it is not known whether the pupil is attending alternative provision.
- There is a close family bereavement.
- A Year 11 pupil is granted study leave. Study leave should be used sparingly and only granted during public examinations. Provision should still be made available for those pupils who want to continue to come into school to revise.
- Leave of absence has been applied for in advance and has been granted because of exceptional circumstances relating to the application. (Parents should be reminded that they cannot expect, as of right, that the school will grant leave of absence).
- Leave of absence should be granted to allow a pupil to take part in a performance within the meaning of s37 of the Children and Young Persons Act 1963 (c) for which a child performance licence has been issued.
- Before granting a licence the local authority must be satisfied that the child's education will not suffer. A school letter is requested as part of the licence application as confirmation of this. If a school believes a child's education will suffer as a result of taking part in a performance they should provide reasons to the local authority in writing. *The information must be specific to the child (saying for example that it is against school policy is not sufficient). If the school does not provide such information the local authority will issue the licence. The absence should be recorded as code C.*
- Further guidance is available at - <http://www.thegrid.org.uk/info/welfare/attendance.shtml>
- Absence should be unauthorised if no explanation is forthcoming from the parents or if the school is dissatisfied with the explanation

13. Administrative Codes

13.1 There are a number of administrative codes which are not counted as a possible attendance in the school census. They must only be used in the circumstances described:

- Unable to attend due to exceptional circumstances (Code Y)

13.2 This code is collected in the school census for statistical purposes but is not counted as a possible attendance It may be used when:

- the school site, or part of it is closed due to unavoidable cause, or
- the transport provided by the school or the local authority is not available *and* where the pupil's home is not within walking distance, or
- a local or national emergency has resulted in widespread disruption to travel which has prevented the pupil from attending school.

- Not required to be in school (Code X) is used to record sessions that non –compulsory school age children are not expected to attend.
- Pupil not on admission register (Code Z) enables schools to set up registers in advance of pupils joining the school to ease administration burdens. Schools must put pupils on the admission register from the first day that the school has agreed, or been notified, that the pupil will attend the school.
- Planned whole of partial school closure (Code #) should be used for closures that are planned or known in advance e.g. holidays, curriculum planning/training days (up to five per year) or the use of the school as a polling station.
- Different Term Dates for Different Pupils (Code #) can also be used to record staggered starts or induction days. This is only acceptable where the school ensures that pupils not attending on that day are still offered a full education over the school year.

14. Approved Off-Site Educational Activity

Pupils who are engaged in off-site educational activities should be recorded as attending (or absent from) an approved educational activity using the appropriate code.

The key features of approved educational activity are that they must be:

- educational *and*
- approved by the school *and*
- supervised by the school or someone authorised by the school (Study leave is NOT an approved educational activity)
- A pupil should be recorded as approved educational activity if he/she is attending: an approved work experience placement (Code W)
- a field trip or educational visit (Code V)
- an approved sporting activity approved by and supervised by someone authorised by the school (Code P)
- the pupil is attending an interview with a prospective employer, or another educational establishment (Code J) an offsite educational activity (Code B)

Note: The B code should be used when pupils are present at an off-site educational activity that has been approved by the school. Ultimately schools are responsible for the safeguarding and welfare of pupils educated off-site. By using code B, schools are certifying that the education is supervised and measures have been taken to safeguard pupils.

- Dual Registered – at another educational establishment (Code D)

Note: This code is used to indicate that the pupil was not expected to attend the session in question because they were scheduled to attend the other school at which they are registered. This code is not counted as a possible attendance in the school census. This code should be used where pupils are attending an ESC, hospital or special school on a temporary basis or for Gypsy, Roma and Traveller children where they are known to be registered at another school for the session in question. Each school should only record the attendance/absence for those sessions where the pupil is expected to attend. Schools must ensure that they follow up all absence in a timely manner.

15. Flexi-schooling

Head teachers can agree to flexi-schooling arrangements where the parents take on the responsibility for their child's education for part of the school week. Head teachers are advised to consider any such requests from parents very carefully before agreeing to them and are advised to draw up a written agreement with the parent. Where agreement has been reached, pupils should be marked authorised absent from school during periods when they are receiving home education. (Code C).

16. Part-time time-tables

All pupils of compulsory school age are entitled to a full-time education. In exceptional circumstances there may be a need for a part time timetable to meet an individual pupil's needs. A part time timetable must be time limited and must not be treated as a long term solution and can only be made with parental agreement. The school should mark the sessions were the pupil is not expected to attend as authorised absence. (Code C).

Guidance on part-time timetables is available at - <http://www.thegrid.org.uk/info/welfare/attendance.shtml>

17. Requests for Family Holidays During Term time

Amendments to the 2006 Pupil Registration (England) Regulations which come into effect on 1st September 2013 remove all references to family holidays and extended leave for holidays in term time. The amendments make clear that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. It is for the Headteacher to determine what constitutes exceptional circumstances and for them to determine the number of school days a child can be away from school if the leave is granted.

At the request from Headteachers the local authority has provided a standard letter to be handed to parents and carers to support the governing body and Headteachers in communicating their decision making regarding individual requests for leave of absence for holidays in term time. This is available on <http://www.thegrid.org.uk/info/welfare/attendance.shtml>

Further information and advice of school attendance including the use of the correct registration codes is available at www.education.gov.uk

The Education (Pupil Registration) Regulations 2006 and subsequent amendments in 2010, 2011, 2013 and 2016 is available at <http://www.legislation.gov.uk>

Appendix 1

HERTFORDSHIRE COUNTY COUNCIL

Policy for Attendance Improvement Officers working with children whose absence has been authorised

- if the AIO becomes concerned (through checking the attendance register) that a pupil has accumulated significant amounts of authorised absence this will be discussed with the relevant member of school staff
- if it is agreed that there is a concern about the pupil's attendance the school should share this concern with the parents
- if concerns about the pupil's attendance remain, the AIO will consider accepting the case
- if a pupil is identified as being a persistent absentee (PA). Persistent absence is when a pupil enrolment's overall absence equates to 10 per cent or more of their possible sessions.

(Note: if a pupil's absence has been authorised by the school, the LA cannot cite that absence as evidence of non attendance under Section 444 of the Education Act 1996).
