Monday 8th & Tuesday

9th October

Flu vaccinations

Thursday October 11th

Thorpe Park Trip

(not whole school)

Monday 29th October—

Friday 9th November

Half Term (2 weeks)

Monday 10th December

Tutorial Day from 9am

It been another busy week at St.Luke's. Today we had a group of Gold Award winners at Thorpe park as a reward for all their hard work, with another group going next Thursday.

It sounds like the children had a brilliant time. We will bring you some photos of this in next week's newsletter.

Also this week the children smiled beautifully for their school photographs. These will be coming home with the children soon. They can be returned to the school for ordering or they can also be ordered online.

Next Monday and Tuesday flu vaccinations will be taking place. If your child will be having the vaccine please remind them of this over the weekend.

Parents of our year 11 pupils will we hope be interested to know that we have managed to secure Danielle and Dominic from Oakland's College to be available from 10.00am until 2.00pm on December 10th, Tutorial day to answer any questions you may have relating to your child's transition to college next year.

Please can we remind you, if you have not already done so to please return your slips regarding your child's EHCP reviews and Tutorial Day meetings. This ensures you are fully aware of what dates to attend the school.

Have a great weekend !

Our pupils out and about !

We love to hear what you've been up to out of school.....

Mrs.Spicer writes—"We are very proud of Francesca for completing her sponsored ride for the RDA Gaddesden Place on Sunday afternoon, despite her being full of cold. The Gaddesden Charity Ride gave riders the opportunity to ride on the farm tracks and through beautiful woodland around the Gaddesden Estate on a 2.5 mile route raising money for Gaddesden Place RDA Centre. Francesca was so happy to know that she has raised money to help support the RDA.

Francesca has been riding at Gaddesden Place RDA every week since she was six years old and it is the highlight of her week. It is so good for her physically and also for her self confidence. She loves all the horses there"

Well done Francesca . Really great effort !

Leo recently visited Elstree studios and bumped into a certain Mr.Nick Cotton aka actor John Altman !

Quote of the Week

'Limitations live only in our minds. But if we use our imagination, our possibilities become limitless'

Jamie Paolinetti

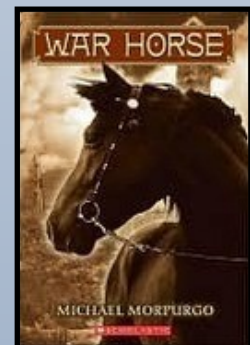

'Fun fact of the week

It is physically impossible for a pig to look up at the sky

On this Day

1943

Children's author Michael Morpurgo was born

Friday Assembly.

Please don't forget you are welcome to attend Assembly every Friday at 2.30pm. We look forward to seeing you there

Spotlight on..... Mrs.Barker

Most of you will recognise Mr.Barker from your EHCP reviews but did you know that back when St.Luke's was Redbourn Secondary Modern, she attended the school herself !

Mrs.Barker is Redbourn born and bred. During the early years of married life her husband was in the army and he and Mrs.Barker travelled extensively to various parts of the UK and abroad wherever he was posted.

Mrs.Barker started working at St.Luke's way back in 1995 which makes her our longest serving member of staff. Originally a pupil administrator, she has overseen the arrival and been involved in the development of many different databases up to the one we use now, SIMS.

Mrs.Barker enjoys travelling and going to the theatre and has recently taken up yoga! Her favourite part of her job is working with all the fantastic children and staff here at St.Luke's.

If you would like to see Joe the parrot having a singsong take a look at our Facebook page St.Luke's School Redbourn

School meals
